## **Additional Information:**

### **1. LENSES**

- One pair of lenses per beneficiary every two years on service date.
- The scheme will accept the Grid tariff codes and amounts **ONLY** and any deviation from these tariffs will not be paid and may not be claimed from the member.
- Glass and plastic lenses cost the same. Please use the appropriate code.
- Benefits shall not be granted for contact lenses if a beneficiary has received a pair of spectacles in a given benefit year.

### **2. ADD ONS/EXTRAS**

- All add-ons will be excluded, unless prior approved by the Scheme.
- Please use the SAOA code for all add-ons.

### **3. CONTACT LENSES**

- The contact lens benefit is subject to the sub-limit of R1 300.00 per beneficiary per year.
- The contact lens benefit is for materials only.
- The consultation is paid separately. Please use code 11001.
- Please use grid tariff code for contact lenses and specify whether disposable or permanent lenses.
- Benefits shall not be granted for spectacles if a beneficiary has already received contact lenses in a given benefit year.

### **4. GENERAL**

- The Grid is the maximum limit per option for MEDCOR medical scheme.
- Payment of claims is subject to scheme rules.
- Optical services are subject to the annual day-to-day limit.
- The benefits for visual examination, frames, tonometry and lenses are limited per beneficiary per two years cycle. The Medcor members are entitled to Optical benefits every 2 years calculated on a service date.
- **Spectacle and contact lens prescriptions must be included in both paper and electronic claims. Claims submitted without prescriptions will be rejected.**
- **All grid prices include VAT.**
- **Non-contracted optometrists will be paid according to the Grid and the patient will be liable for the difference between the practice tariff and the grid tariff.**
- **A 20% levy on the Grid amounts excluding tariff code 11001 will apply to non-contracted optometrists for MEDCOR, and is payable by the member.**
- **The member will have to pay a R30 levy on the professional fee (tariff code 11001) when using a non-contracted optometrist.**
- **Non-contracted optometrists must inform members of the levy and the difference in the charged tariffs payable by the member, before consulting them.**
